Carlos Damián Suarez

Former Aerospace & Defence Senior Executive

<https://www.linkedin.com/in/carlos-dami%C3%A1n-su%C3%A1rez-p%C3%A9rez-948589159/>

Carlos holds a Master Degree in Aeronautical Engineering (Universidad Politécnica de Madrid) and an Executive MBA (IESE International Business School, Universidad de Navarra).

He has recently been Executive Vice President and Member of the Executive Committee at [Indra](#) where he was also responsible for all the international business and operating subsidiaries in Africa, Middle East, Central Asia and Asia-Pacific.

Before he has been a Member of the EADS Executive Committee (currently [Airbus Group](#)), President of EADS CASA, Head of the EADS Military Transport Aircraft Division (currently part of Airbus Defence & Space), Managing Director of Airbus Military and member of the Board of Directors of Eurocopter (currently Airbus Helicopters), Astrium and EADS North America.

In 2009 he was awarded in Spain with the Great Cross Air Force Merit Distinct White and previously in 2007 he was awarded in Bolivia with the Cross Air Force Merit.

Carlos Suárez has also worked as Strategy Consultant in Accenture and as a researcher in the Fluid Dynamics Laboratory in Madrid Polytechnic University. During the last 20 years he has been invited by different Business Schools in Spain to collaborate on a regular basis as a professor and lecturer in Corporate Strategy and Change Management.
